Subject: Inmate Marvin Lee Harris, Sr.

Hello Chris,

I spoke with you last week about suspicious phone calls from a male subject approximately a month and a half ago. The male subject has asked questions about Inmate Lee Marvin Harris, Sr. The first time he said he was from the V.A Hospital (Veteran Affairs) in Ft. Bragg, NC and was calling about Mr. Harris' medication. I asked him his name and he said he was a Captain. With the limited information that he gave, I asked for a call back number. The number he gave me was (336)-432-2147.

Approximately two weeks ago (approximately April 9th, 2018), Sergeant C. Brown received a phone call from number (404)-539-4741, male stated he was Captain David Kendrick. He left a call back number (336)-432-2147.

Last week (week of April 16th, 2018) the male with the same voice called the detention center inquiring about clergy for our inmates. I asked what his name was and he said he was Dr. David Allen with Freewill Ministry Church and the number he gave was (404)-539-4741.

This just seemed strange that the same two numbers is calling repeatedly.

Thanks,

Lieutenant Shannon Garner

Warren,

Thanks for being in touch. I would anticipate this matter being adopted federally either at the end of this month or the end of June; it largely depends on some reports from another aspect of the case that I am waiting on. How long would you be able to hold onto the materials before release was required?

Many thanks,
JoAnna

JoAnna,

Good afternoon. I hope you are doing well. I am checking with you on the status of the Lee Harris, Jr., Lee Harris, Sr., Christian Terry, Lamar Sealy, Lisa Hanini, Calvin Fox, and Gonzalo Gomez codefendants and the possibility of federal charges being pursued and issued against these individuals. There was a bond hearing held yesterday and the bonds were modified as follows:

1. Lee Marvin Harris, Jr. – from 9 million to 2 million w/ electronic house arrest
2. Christian Terry – from 5 million to 1 million w/ electronic house arrest
3. Lee Marvin Harris, Sr. – from 5 million to \$500,000

I have yet to provide discovery to the defendants because I was wanting to try and coordinate with you releasing the materials. If there was going to be federal adoption in the near future I was not going to release the materials. The cases have been continued to July 9.

Please let me know if you have any questions.

Thanks,
Warren

FYI

Reagan,

I was disappointed in the Mayor, and the Town Council when they failed to be heard on the bond reduction for Lee Marvin Harris Jr./Sr. and the DBC gang by remaining silent. I have now learned that the Dusty Rhodes is asking for a bond reduction for Montice McManus, the murderer of 11 year old Jalinda Campbell and the serious injury to four year old Kyleigh Graham who is now paralyzed. This bond reduction hearing is set for May 29, 2018, at 2:30pm. I invite you, Chris, the Mayor, and the entire Council to join me at this hearing to prevent this injustice. I can provide you more details, but for ADA Peter Strickland to point this support out in open court would go a very long way. The Council frequently asks me what they can do to help/support our effort, this would be my second request.

I would be happy to discuss this in greater detail if you need additional information.

Jason,

The Marshals didn't get back to me until today about setting up a time to take Sr. The magistrate will be in Durham all next week. Make contact with US Marshal Art Gandy, 336-430-5339, to set up a time and location to take Sr. Lowery has placed a packet in your door that has all of the necessary items to be completed (print card, dna, etc.). Let me know if you have any questions. The state charges have been dismissed and the copies of the dismissals are included in the packet.
